

ASTEME MATH & STEM CENTER

Advancement of Science, Technology, & Engineering in Math Education

MATH FOR THE MIND, BODY & SPIRIT™

8-Week Sessions
February 11th – April 6th

Weeklong Spring STEM Camp Week
April 15th - April 19th:
Science & Technology Week

Join us as we continue our amazing fun filled journey exploring math ideas in the Science, Technology & Engineering fields with **BRAND NEW ACTIVITIES**. In our upcoming 2019 Spring Session, we will be looking at how math is used in Chemistry, Biology, Psychology, & Geology! The students will learn math while designing with a laser cutter, engineer mouse trap powered cars, performing new chemistry experiments, building a computer, programming robots, integrating artificial intelligence with technology, and much, much more!

ASTEME supports access and equity for women in the STEM fields. We are proud to offer an **ASTEME all girls session** on Wednesdays from 4:00PM-6:00PM and Saturdays from 12:15PM – 2:15PM.

ASTEME is also offering two **computer coding classes** on Wednesdays from 4:00PM-6:00PM. The beginning class will cover the fundamentals of designing, writing and debugging computer code using Scratch & BASIC. The advanced class will focus on creating Augmented Reality iOS apps using Xcode.

Weekly ASTEME Sessions

Monday , Tuesday, Thursday & Friday 4:00PM – 6:00PM
Saturday 9:45AM – 11:45AM

Weekly ASTEME for girls

Wednesday 4:00PM – 6:00PM
Saturday 12:15PM – 2:15PM

Weekly Computer Coding

Wednesday Beginner 4:00PM – 6:00PM
Wednesday Advanced Augmented Reality (iOS Apps) 4:00PM – 6:00PM
Cost: \$495
