

ASTEME MATH & STEM CENTER

Advancement of Science, Technology, & Engineering in Math Education

MATH FOR THE MIND, BODY & SPIRIT™

8-Week Sessions November 13th – February 16th
We will be off the weeks of 11-19, 12-17, 12-24, and 12-31

Week of 12-17:
Harry Potter Science & Magic Weeklong Camp

Join us as we continue our amazing fun filled journey exploring math ideas in the Science, Technology & Engineering fields with **BRAND NEW ACTIVITIES**. In our upcoming 2018 session, we will be looking at how math is used in Chemistry, Biology, Psychology, & Geology! The students will learn about LEGO architecture, escape room design, photoshop, biochemistry, photography and light, science and art, and much, much more!

ASTEME supports access and equity for women in the STEM fields. We are proud to offer an **ASTEME all girls session** on Wednesdays from 4:00PM-6:00PM and Saturdays from 12:15PM – 2:15PM.

ASTEME is also offering two **computer coding classes** on Wednesdays from 4:00PM-6:00PM. The beginning class will cover the fundamentals of designing, writing and debugging computer code using Scratch & BASIC. The advanced class will focus on creating Augmented Reality iOS apps using Xcode.

Weekly ASTEME Sessions

Monday , Tuesday, Thursday & Friday 4:00PM – 6:00PM
Saturday 9:45AM – 11:45AM
