

ASTEME

1651 Westwood Blvd
Los Angeles, CA 90024

Dear friend of the community,

Thank you so much for supporting ASTEME by donating to our annual online fundraising event. The event will be held online from May 7th – May 21st.

ASTEME is a 501(c)(3) non-profit school (EIN #38-3953027) that stresses the importance of access and socioeconomic/gender equity in the science, technology, engineering, and math fields. ASTEME has been part of the local education community for over 14 years and has worked with thousands of families throughout the city. We are particularly proud of the following unique aspects of ASTEME.

- 20% of our current student population attend with the support of our scholarship fund.
- ASTEME has always supported gender equity in the STEM fields and has offered all-girls' STEM classes to encourage girls to pursue careers in the STEM fields.
- Students who attend ASTEME have shown an increased interest in pursuing careers in the math, engineering, science & technology fields. ASTEME graduates have been admitted to M.I.T., Berkeley, Cal Tech & Cal Poly.

These accomplishments can only happen with the generosity of our local business community and merchants like you helping to support this unique program. The proceeds from our annual event will directly benefit our students.

We realize your company receives many requests for donations from non-profit organizations in the area; we hope you will support ASTEME via a tax-deductible donation of an item, gift card or certificate, or services for our auction. We greatly appreciate donations of all amounts, shapes and sizes, and your company will be recognized in our newsletter. The deadline for the donations is May 6th, 2022.

We are truly grateful for your much-needed support.

Sincerely,

Allan Yu
Director of ASTEME
